

# FASTBACK SHOOTOUT

Saturday, September 2, 2017

@ Arcadia County Park

hosted by Arroyo High School

**Course:** Because of current construction at Mt. SAC, we had to move the race to a different location. The 2-loop course begins with a wide grass start, traverses paved paths and grass. From several shaded locations, you can view the start, the mile mark, and the finish line, making it an ideal course for coaches and spectators.

**Registration/Timing:** Register your athletes online through FinishedResults.com. They will provide chip timing.

**Awards:** The top 6 will win new custom Fastback Sheriff badges, and runners 7-20 will win custom Fastback Deputy badges. Runners 21 – 60 will win custom Fastback Shootout bronze medals.

**Entry Fee:** \$150 for boys or girls squad; \$280 for both squads; \$10 per individual

**Parking:** Parking is free in the lots on the east and west sides of the park. No busses in the west lot!

**Shirts and Snacks:** Fastback T-Shirts and a Snack Bar will be available.

**Make Check Payable To:** Arroyo High School (BAPXC)

**Mail To:** Arroyo High School  
4921 N. Cedar Ave.  
El Monte, CA 91732  
Attn: Bryon Hake

## **Race Schedule:**

7:20 am	junior girls	8:40 am	freshman girls
7:40 am	junior boys	9:00 am	freshman boys
8:00am	sophomore girls	9:20am	senior girls
8:20am	sophomore boys	9:40 am	senior boys

***This is a great way to start the season.*** Your runners will get a chance to race a quick 2-mile course with great competition. The medals are unique and generously-awarded. The meet will finish early, which avoids the heat and helps keep your athletes (and coaches!) well-rested in the early part of the season and school year.

Because of the switch to a new location, only the first 30 teams will be accepted. Teams that stay with us while we are at Arcadia County Park will get guaranteed/preferred entry into Fastback when it switches back to Mt. SAC next year or the year after.

Course Map on next page.

If you have any questions, contact Bryon Hake by email: [bryon.hake@emuhsd.org](mailto:bryon.hake@emuhsd.org)
